Forecast For East Midlands
Issued by Met Office Exeter
at 1600 on Thursday 26 Aug 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Generally cloudy, breezy along the coast.

This Evening and Tonight:
A bright evening in the west at first, although cloud steadily returning from the east through the evening. Some brief clear spells may occur overnight, particularly in the west where a few fog patches may form under clearer skies. Minimum temperature 11 deg C (52 deg F).

Friday:
Dry again throughout Friday. Cloudy conditions likely during the morning but skies will clear from the northeast to give sunny spells for many later. Lighter winds. Maximum temperature 21 deg C (70 deg F).

Outlook for Saturday to Monday:
Bright or sunny spells and some light showers through Saturday. Sunday looks to be sunny and dry. Cloudier on Monday but staying dry. Feeling warm in any sun.
